

# CMS Middle School Alliance

June 2, 2012

McMillan Greenhouse Classroom, McMillan Greenhouse  
8:30 am. Building #37. Park in Lot 16.

[Campus Map](#) *Parking is free.*

## Focus: Botany: Plants

Come and learn with your fellow middle school science teachers about Plants: Structure, Reproductive Cycle, Behavior, and Plant Genetics. Participants will receive *a microviewer with slides and we will have a drawing for biodiversity items including waterproof notebooks, field guides, compass, etc.*

### Guest Speaker

**Paula Gross, UNC Charlotte McMillan Greenhouse**

Please RSVP so we have enough materials for activities. Email Alisa Wickliff, with Center for STEM Education, UNC Charlotte to reserve your spot: [abwickli@uncc.edu](mailto:abwickli@uncc.edu). Contact Nancy Addison, Director of Pre-K STEM, CMS at [nancyh.addison@cms.k12.nc.us](mailto:nancyh.addison@cms.k12.nc.us)
