**Super Competition**  
**March 7, 2016**  
High School Math and Science Contests  
UNC Charlotte Main Campus  

Make plans now to enter your students in one or more of the contests in the 28th annual Super Competition on the campus of UNC Charlotte, Monday, March 7, 2016.  

High school students will compete for awards during this one-day competition at UNC Charlotte (main campus). Mathematics contestants who qualify at this competition may advance to the North Carolina High School Mathematics Contest Finals in the Level 3* division (Common Core Math 3 or equivalent) or in the Comprehensive* division. (Science contests are not qualifying contests for other competitions.) Fee: $8 per student per contest.  

**Super Competition Day Schedule**  
8:30 - 9:45 Level 3 Math and Comprehensive Math Contests  
10:00 - 11:00 Talk for sponsors and contestants not in science contests  
10:00 - 11:15 Physics and Chemistry Contests  
11:15 - 1:15 Lunch on your own  
1:30 - 2:30 Awards Ceremony  

**Online Registration Deadline** is Friday, January 15, 2016.  
**Payment postmark deadline** is Monday, February 15, 2016.
