

The Center for Science, Technology, Engineering and Mathematics (STEM) Education at UNC Charlotte and the staff and faculty of Phillip O. Berry Academy of Technology High School, Charlotte, NC would like to congratulate all of the students who entered the 2021 NC Student Academy of Science District 5 & 6 held February 25, 2021. The following students will advance to the state NC Student Academy of Sciences competition to be held virtually March 19, 2021.

NCSAS District 5 & 6 Winners Advancing to the State North Carolina Student Academy of Sciences

High School Winners

Behavioral Science	Keisha & Ishana Kalra	Providence High School
Behavioral Science	Martina Banas	Ardrey Kell High School
Behavioral Science	Tanvi Sharma & Eesha Patel	Ardrey Kell High School
Biological Science	Reva Kumar	North Mecklenburg High School
Biological Science	Srinidhi Jayaprakash	Marvin Ridge High School
Biological Science	Brianna Maga	Ardrey Kell High School
Biological Science	Tiancheng Lan	Gaston Day School
Biological Science	Veda Dayananda	East Mecklenburg High School
Biotechnology	Aakriti Lakshmanan	Levine Middle College High School
Biotechnology	Sadhana Ramesh & Anjali Nelatoor	Ardrey Kell High School
Chemistry	Lisa Zhang	Providence High School
Chemistry	Sutharisika Kumar Kalaiselvi	South Iredell High School
Chemistry	Martin Inman	Forestview High School
Environmental Science	Mason Sufnarski	Marvin Ridge High School
Environmental Science	Karthik Nemani	Cox Mill High School
Environmental Science	James Gunter	Forestview High School
Computer Science	Isha Narang	Ardrey Kell High School
Physics	Luigi Bortolussi	Highland School of Technology
Physics	Thomas Robinson	Forestview High School
Technology/Engineering	Archita Khaire	Providence High School
Technology/Engineering	Jusung Park	Chapel Hill High School

Middle School Winners

Biological Science	Aashvi Shah	Brawley IB School
Biological Science	Radhika Unnikrishnan	Metrolina Regional Scholars Academy
Biological Science	Nithila Srithik	J.N. Fries Magnet School
Chemistry	Anjana Ramanujam	Metrolina Regional Scholars Academy
Chemistry	Mia McHugh	Bailey Middle School
Chemistry	Rishi Sarvepalli	Weddington Middle School
Environmental Science	Hadi Abdul	J.N. Fries Magnet School
Environmental Science	Aadarsh Lakshmanan	Metrolina Regional Scholars Academy
Environmental Science	Summer Chu	Metrolina Regional Scholars Academy
Environmental Science	Paul Bortolussi	Mount Holly Middle School
Earth & Space	Ankit Biswas	Metrolina Regional Scholars Academy
Physics	Pranav Pamula	Weddington Middle School
Physics	Maira Siddiqui	Brawley IB School
Technology/Engineering	Adithi Takkellapat & Akshith Byreedy	J.N. Fries Middle School
Technology/Engineering	Elijah Palmeter	Brawley IB School
Technology/Engineering	Rainey Mangan	C.C. Griffin STEM Middle School
Technology/Engineering	Maycee Taylor	J.N. Fries Middle School
